

PAR DRIVE-THRU SYSTEM G5*

SIMPLY GENIUS

*Formerly a 3M Company product

THE BEST CHOICE FOR **SOUND** DRIVE-THRU RESULTS.

A complete drive-thru solution designed to give you a competitive edge.

Making sure drive-thru orders are handled fast and accurately is a sure way to keep your customers coming back. Now, PAR helps you tap the full potential of your drive-thru with a communications system that combines unmatched sound clarity with rock-solid reliability.

STAY **POWERED UP** ALL DAY LONG.

You have enough on your plate without having to worry about misplaced or lost batteries. With the G5 system, there is no need to remove batteries when you need to charge.

SELF-SERVICE IN A **SNAP.**

Take service into your own hands with the G5's unique modular headset design. You can quickly remove the control pod from the carrier and swap it to a new carrier in seconds.

**1 REMOVE
THE POD**

**2 SWAP OUT
THE CARRIER**

**3 SNAP ON
THE POD**

SAY **GOODBYE**
TO DOWNTIME

PAR DRIVE-THRU BASESTATION G5*

Smarter Sound
